*"The balance changed when the **Second Conjunction** happened and the humans are again the fearful prey!
We have to act now to change that!
We cannot give the monsters any more ground!
While We are here discussing something that it is obvious, another human settlement is destroyed by some kind of monster!
The Monsters are hunting us like rabbits while We hide and cower!
We have to rebuild and create new Witcher Schools!
We need Monsters!
We need Mutants!
We need Witchers!"*

Wife

Christa

The Sorceress and Witcheress travelled together for some time, and throughout their adventures together they developed a strong friendship and an even stronger love and respect for each other.

The love between the two is fiercely strong and faithful and remained so when Anika returned to Kaer Okleddol

to continue her role as Leader of her school.

After each year on the Path, when Christa returns to Kaer Okleddol, they spend several months alone together, isolated from the rest of the Continent, spending their days as any other happy couple would and spending their nights in blissful passion.

In the Year 1412, Anika and Christa finally tied the knot and married in a ceremony held in **Kaer Okleddol** only for the Gyrfalcon School, *Corentin*, *Soerli* and *Liadi*, officially becoming a couple.
